NEWLY Opened Art Space in Silver City NM

302 N. Bullard St.

Silver City NM 88061

MERGEart.org

- Informal arts institution located in a historic storefront space.
- MERGE aims to function as a storefront and venue for art and cultural projects
- The MERGE space is open for collaborations with artists and creative of every type to produce non-commercial and commercial projects and foster new ideas for creative engagement. With the goal of creating a sustainable diverse and uplifting community together.
- This space stems from an interest to create an informal community space in which people can merge, combining various aspects of the Silver City community and visual arts.
- Upcoming shows will include art installations, social practice, readings, talks, gatherings, experimental music etc. see website for upcoming events.
- Artists and other visual creatives are encouraged to contact MERGE with ideas for collaborations and concepts; of special interest are ideas focused on the environment, partnerships with local organizations, bringing to light unique aspects of this community and surrounding lands. ###
